Description

New Sheerline 1020, finished in pure white and powered by an upgraded Nanni 140hp 4 cylinder diesel engine. With 4 berths over 2 cabins this beautifully finished cabine cruiser has everything and more to enjoy some very comfortable and luxurious inland and coastal cruising. Fitted with electric windlass, bow and stern thrusters, inverter/charger, heating and air conditioning. This Sheerline 1020 with modern flush tinted windows and hatch also benefits from electric screens that lower into the super structure, a unique feature allowing greater cruising exploration under those lower bridges to places like the upper reaches of the River Thames & Norfolk Broards. The internals of the boat as you would expect from this luxury brand are clad in teak and trimmed to a very high specification. The galley boasts an oven, grill, fridge, sink and plenty of working area and storage for those longer cruises. The spacious head includes an electric flush toilet and shower, again with a finish to compliment to rest of this beautifully styled cabin cruiser. River Thames Marina Mooring available. If you would like to enquire or arrange to view this brand new Sheerline, please dont hesitate to contact a member of our team.
